## What is Re.M.I.D.A. Project?

Re.M.I.D.A. (**Re**newed **M**odel for the **I**nclusion of **D**isadvantaged **A**dults) is a project co-funded by the **Erasmus+ Programme of the European Union**, as a Strategic Partnership for the Development of Innovation in Adult Education. This project aims to tackle the problem of the socio-occupational exclusion of 45+ disadvantaged adults. To achieve this goal we are going to define a training course for Adult Education Operators for the personal empowerment and employability of disadvantaged adults involving:

- Adult Education consolidated methodologies
- Lego Serious Play
- Best practices on career guidance
- Valorization of non-formal personal skills

The project has two main target groups:

- Disadvantaged 45+ adults at risk of social exclusion:
    - Long term unemployed
    - Low qualification or skills
    - Migrant background
    - Minority members
    - Mild disabilities
    - Ex-convicts

- Adult education operators:
    - Trainers
    - Counselors
    - Coaches
    - Adult education agencies managers
    - Experts/Researchers
    - Institutions representatives

# What are we going to develop?

Our main production will be a **New model of intervention for employability and social inclusion of 45+ adults at risk of exclusion.** We will develop it following the next activities:

*IO/Activity 1:* Adaptation of LSP (Lego Serious Play) to the context and the target group

*IO/Activity 2:* Guidelines

*IO/Activity 3:* Train the trainers course design

*IO/Activity 4:* Identification and development of training contents

*IO/Activity 5:* Design and development of e-learning platform

*C1:* Joint Staff Training Event

*IO/Activity 6:* Local Pilots

*IO/Activity 7:* Pilots' Evaluation

*IO/Activity 8:* Training course modelization
